

## Chaffing Guard

Specifications for 1", 1½", 1¾", 2", 2½", 3"

### CHAFFING GUARD FEATURES

- **Poly-Cord™** ring spun polyester warp yarns are combined with filament polyester filler yarns.
- The polyester jacket supplied under this specification is 100% polyester, superior quality, abrasion resistant and designed to be used as chaffing guard or protective sleeving.
- Immune to the effects of mildew and rot.

- Available either plain/uncoated "natural" white, or with our optional **Ultra-Shield™** high performance polymeric coating applied to seal each and every fiber in the bundle, further improving the abrasion resistance and providing vivid color-coded identification.

- Made in the USA

*Available in a variety of colors and custom lengths*

 **FAMILY OWNED  
AMERICAN MADE**

Poly-Cord™ and Ultra-Shield™ are trademarks of North American Fire Hose Corporation. All rights reserved.
